1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
 - Part 3 of the [Education Act 2002](#)
 - Part 7 of the [Education and Inspections Act 2006](#)
 - [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
 - [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
 - [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)
-

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

3.3 The designated senior leader responsible for attendance

The designated senior leader (also known as the 'senior attendance champion') is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis

- Advising/notifying the headteacher when to issue fixed-penalty notices

The attendance officer is Gaynor Legg and can be contacted via 01305820520 or office@stgeorgesportland.dorset.sch.uk

3.5 Class Teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1) at the times laid out in section 4.1, and submitting this information to the school office by 9.05 a.m. and 1.10 p.m.

3.6 School admin/office staff

School admin/office staff will:

- Take communication from parents/carers about absence on a day-to-day basis and record it on the school system.
- Transfer calls and pass on messages from parents/carers to the Headteacher/SEND/CO/Parent Support Adviser and Class teacher where appropriate, in order to provide them with more detailed support on attendance.

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9.00 a.m. on the day of the absence and each subsequent day of absence if the time period hasn't been discussed, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting Michael Coombs (Headteacher), Emily Bowman (SEND/CO) or Gaynor Legg (Attendance Officer), who can be contacted via 01305820520 or office@stgeorgesportland.dorset.sch.uk
- Take holidays outside of term time and, where this is not possible, submit a leave of absence request.

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 08.45 and ends at 15.15.

Pupils must arrive in school by 8.45 a.m. on each school day.

The register for the first session will be taken at 9.00am and will be kept open until 9.30am (30 minutes after the session begins, or the length of the form time or first lesson in which registration takes place). The register for the second session will be taken at 1.00pm and will be kept open until 1.05pm

4.2 Unplanned absence

The pupil's parent/guardian must notify the school admin/office staff of the reason for the absence on the first day of an unplanned absence by 9.00 a.m. or as soon as practically possible, by calling 01305 820520, texting 07768978983 or emailing absence@stgeorgesportland.dorset.sch.uk.

If the school office has not been notified about an unplanned absence, they will make first day absence telephone calls. The primary contact on a pupil's record will be contacted first. If there is no response, a voice mail will be left (if possible) and then the next contact on the list will be called, and so on. A text/message will also be sent to the primary contact. After a period of time, if the parent /guardian has not contacted school the school office will notify the Headteacher.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days (10 sessions), or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment. Please contact the school office by email (absence@stgeorgesportland.dorset.sch.uk), telephone (01305820520) or text 07768978983.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

The school office will advise of concerns around lateness or punctuality to the attendance officer in the first instance and raise with the headteacher

Any pupil who is persistently late will be identified promptly through the school's monitoring procedures. Early identification allows for the earliest possible support. Families will be offered support as in section 3.7 to address any barriers to attendance. Parents will receive attendance monitoring calls from the Headteacher, Attendance Officer or Parent Support Adviser as part of our early Intervention.

Further monitoring will be undertaken to check that attendance improves. Should there continue to be concerns, a formal meeting (panel meeting) will be held and next steps discussed.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may undertake a home visit, contact the emergency services and/or refer to statutory services for further support.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance

- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: arrange a panel meeting to discuss the concerns, issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate.

4.6 Reporting to parents

The school will regularly inform parents (see definition of ‘parent’, as used in this policy, in section 3.7 above) about their child’s attendance and absence levels e.g. at parent’s evening, via positive notifications and letters to warn of low attendance. These are sent termly where applicable. Parents will also receive attendance monitoring calls from the Headteacher, Attendance Officer or Parent Support Adviser as part of our early Intervention.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher’s discretion, including the length of time the pupil is authorised to be absent for. St. George’s also agrees to the Chesil Collaboration Policy Statement on attendance accessible via the school’s [website](#).

We define ‘exceptional circumstances’ as events which are “rare, significant, unavoidable and short”. There is no definitive list of events that are considered “exceptional” so each case must be assessed individually and decided by the headteacher.

The DfE states in its [guidance](#) that it “does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance.”

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two school weeks before the absence, and in accordance with any leave of absence request form. A copy of the form can be obtained from the school office or can be found on the School Website under attendance. The headteacher may require evidence to support making the decision regarding any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)

- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice. Penalty notices will usually be issued to the parent or parents with day-to-day responsibility for the pupil's attendance or the parent or parents who have allowed the absence (regardless of which parent has applied for a leave of absence).

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within

those 3 years, alternative action will be taken instead. This may include other legal interventions available to Local Authorities, such as Education Supervision Orders and criminal prosecution.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

St. George's promotes good attendance. Children have a right to attend education. To support this, we have a weekly Attendance Trophy. This is awarded to the year group with the highest attendance. This is communicated weekly to parents via Class Dojo.

Positive letters are sent to children's families where they have 100% over a term.

The Year Group with most weekly wins are allowed a non-school uniform day each half-term. Class Dojo points are awarded to any child with 100% attendance each week. Information is sent to parents via the Headteacher's newsletter. There is also an annual certificate for 100% attendance.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

St. George's will support children and families to ensure children attend school. Staff create an inclusive school where children feel valued and are a genuine part of our community. We understand that barriers to attendance can be complex and may include various situational factors:

- mental/physical health
- SEND
- Young Carer

- Disadvantaged
- Being known or previously known to Social Care.

Part of Ofsted's criteria for 'expected standard' for attendance and behaviour says that any reasonable adjustments and/or interventions should be timely and appropriate, well-chosen and targeted.

We will work with families to identify barriers. Support will be offered, monitored and reviewed. Where external agency support is needed, school will refer in a timely manner. Support may become formalised and part of a panel meeting which will document support and expectations of school and parents.

St. George's aim will always be to promote attendance through working with parents. We acknowledge that sometimes support will not work and we will need to consult the Local Authority for additional measures.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.2 Pupils returning to school after a lengthy or unavoidable period of absence

St. George's will offer a return to school meeting to discuss the readiness of children to return. This will include discussing any adjustments needed to support the child's return.

This could include: part time timetables, soft start, pastoral support (e.g. ELSA)

7.3 Prolonged absence for children in the EYFS

In cases of prolonged absence, or when a child is absent without notification, we will attempt to contact the child's parents and alternative emergency contacts.

When deciding whether a child's absence should be considered prolonged, we will consider the:

- Patterns and trends in the child's absences and their personal circumstances
- Vulnerability of the child and their parents, as well as the circumstances of their home life

We will also implement our safeguarding procedures (see our child protection/safeguarding policy) and refer any concerns to local children's social care and/or request a police welfare check.

8. Attendance monitoring

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on formal, legal request.

Dorset Council monitor our attendance on SIMS via Orchestra.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Monitor more closely the attendance of children who are persistently absent or at risk of persistent absence.

8.3 Using data to improve attendance

The school will

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions

- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

8.5 Part-time timetables

Schools have a duty to provide full time education for all pupils. In exceptional circumstances, a child may be best supported with a part-time timetable as part of a comprehensive suite of support. This will be considered where a child's needs indicate they cannot currently access full-time education and it would not be in their best interests to do so.

Part-time timetables are not to manage a child's behaviour and is not a long term solution. All agreements will be time-limited whilst measures can be taken (whether by school, family or other agencies) to provide for full-time education or placement in an alternative provision.

A formal panel meeting will be held to agree the nature and length of a part-time timetable with parents and any other professionals working with the family. Reviews will be regularly held to ensure the appropriateness of the timetable.

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum biannually by Michael Coombs (Headteacher). At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Mental Health and Behaviour policy
